

Save the Date!

Come learn about the EPA's Superfund program

The workshop will cover:

- The Rockwell International Wheel & Trim Superfund Site and the Superfund process to clean up contamination at the Site
- Opportunities for community involvement and technical assistance

Introduction to Superfund Workshop

9:00 a.m. – 12:00 p.m.

Saturday, April 28, 2018

Lewis Johnson Senior Citizen Complex
299 Dr. Martin Luther King Jr. Blvd., Grenada

For more information, please contact:

Abena Ajanaku, Community Involvement Coordinator
U.S. Environmental Protection Agency (EPA)
